

# Ground Goop

## Scenery Construction Demonstration

I would like to credit Lou Sassi with the original idea of Ground Goop found on the Alan Keller Great Model Railroads Vol. 23.

Ground Goop Formula:

- 1-part Celluclay
- 1-part Vermiculite
- 1-part flat house paint
- $\frac{3}{4}$ -part white glue
- 1 jigger Lysol

Wetting agent formula:

- 3-parts water
- 1-part 91% isopropyl alcohol

Setting glue:

- 2-parts White glue
- 1-part water
- 1-part 91% isopropyl alcohol

Useful tools:

Mud pan	Sea sponge
Margin trowel	square tip brushes various sizes
6" putty knife	foam brushes
Tweezers	feather brush
Artists palette knife	sieve
Tea spoons	plastic pan
Solo cups	spray bottles
Scissors	vinyl gloves
Pliers
