

Milwaukee, WI enjoyed streetcar and trolley bus service until 1958 and 1965, respectively. Meeting at IRLM's Electric Park waiting shelter are The Milwaukee Electric Railway and Light Company streetcar No. 972 (St. Louis Car Company 1927), and Milwaukee and Suburban Transport electric trolley bus No. 441 (Marmon-Herrington 1948). The Milwaukee lines were unique in emphasizing "The" in their names including The Milwaukee Electric Railway and Light Company and later The Milwaukee Electric Railway and Transport Company. DONATIONS

The Illinois Railway Museum's success is due to the support of its members and patrons. The Museum's ticket sales don't quite cover basic operations. Donations to our general fund are needed to bridge the gap between gate revenue and funds needed for general operations. Please visit www.irm.org/fundraising for more information.

IRM SIGNS WEB STORE

IRM sells authentic, obsolete Chicago 'L' signs. Your purchase will help historic sign restorations across the Museum. Go to www.irmsigns.org for more information.
