***Editor’s Note:** This is a special one page June/July Semaphore to promote our “Model Railroad Projects I Did While Sheltered in Place” article in the September Semaphore and September’s clinic on the same topic. (We need more participants and photos, please!) We’re also announcing that September’s meet will take place on-line via Zoom and not at the Morova Center.*

Here’s a small preview of September’s Semaphore and FVD clinic on “Model Railroad Projects I Did While Sheltered in Place”. Upper left is a station shelter project done by Jeff Jarr, above is a structure kit built by Mike Hirvela, and to the left is a scratch built Drover’s Waycar by Jim Osborn. Photos by Jeff, Mike & Jim.

Next FVD Meeting:

Sunday, September 20

1:30 pm

On-line via Zoom

Contest: Passenger Cars—3 max

Clinic: MRR Projects I Did While Sheltered in Place by Walt Herrick

Also: FVD annual elections

No FVD events until the September 20 meet.

The FVD’s First *On-Line* Meet!

The Fox Valley Division’s first ever on-line meet will be held September 20 at 1:30 pm. We will not meet in person at the Morova Center but in the comfort of our own homes. Information to follow in August. Stay tuned! *Mike Hirvela, Supt.*

“Model Railroad Projects I Did While ‘Sheltered in Place”

We want to see what you’ve been doing with your MRR hobby while “sheltered in place”! Please send a few phone photos with a brief description of your work to our editor at:
