VOLUME 14

NO. 6

FEBRUARY MEETING

Faith Lutheran Church
Feb. 15, 1987, 1:30 p.m.

CONTEST

February will bring the first contest of the modeling year. It will be a contest devoted to modeling rolling stock. Categories will include freight, passenger, m-o-w, and caboose. Motive power WILL NOT be included. If there are enough entries we will divide into prototype and private categories. Certificates and ribbons will be awarded to the winners in each category. There will also be a best in show contest with gift certificates going to the top three overall winners. First prize will be a fifteen dollar prize, second will receive a ten dollar certificate and third will receive a five dollar certificate.

HIGH-WHEELER

'87

The Division needs volunteers to bring examples of their models to display at Highwheeler in March. The absence of this display was noted by a number of visitors at last year's Highwheeler. What is needed are examples of kitbuilt,

kitbashed and scratch-built models that show some of the more intricate examples of model-building. Due to the fact that we have not had any contests this year, we do not have a pool of contest winners to ask to do this. So we are asking members to fill this void which was missed last year. This is a painless way in which every member can contribute to the success of Highwheeler.
